Supporter
Kanto
with only
supporter
to be
a cat.

This guy looks like
someone who
knows, so
making him
like that
would be
better.

Oh yeah, you
forgot you
can't be help
out with the
stuff, but
I'm not
suggested
about that.

However,
that could
finally come
out, and I was
down his story.
So I'm excited.

And because
of the changed
plan, Kanto
knows a
lot. It's
good.

I like that
specially, I
wouldn't want
to be Kanto's
side partner.

And because
the plan
might
change,
the cat
will
be offered
to.

In the
beginning
of offering.

Oh, that
part is.

There is
small
contract.

It's
good, but
not
necessarily
better.

And I'm surprised
that Kanto had
a lot of supporters.
Thank you very much.

I really
thank you
all very
much.

And to Kanto-san
who is very helpful
with me, though I
can't say, offering
left from right.
Thank you very much.

To those who gave me
support and
helped me a lot,
Chapman and Chapman,
to Chapman who
helped me a lot,
and to those who took
time out of their busy
schedule, Chapman,
Lynette and M. Lee.

Just had not had,
to you, and to
those who have been
supporting me.

From now on, I'll
work hard and show
you better work.

Hi,
I'm.

I thank you from
the depths of my
heart, and hope to
see you again.

I like to see.
